Do you need an expedited (fast) decision?

☐ **Check this box if you believe you need a decision within 72 hours.** If you have a supporting statement from your prescriber, attach it to this request.

- If you or your prescriber believe that waiting 7 days for a standard decision could seriously harm your life, health, or ability to regain maximum function, you can ask for an expedited (fast) decision.
- If your prescriber indicates that waiting 7 days could seriously harm your health, we'll automatically give you a decision within 72 hours. You can't ask for an expedited appeal if you're asking us to pay you back for a drug you already got.
- If you don't get your prescriber's support for an expedited appeal, we'll decide if your case requires a fast decision.

Explain why you think this drug should be covered

- Attach any additional information you think may help your case, like a statement from your prescriber or medical records.
- Include a copy of the Notice of Denial of Medicare Prescription Drug Coverage.
- Your prescriber will need to explain why you can't meet our plan's coverage rules and/or why the drugs required by the plan aren't medically appropriate for you.
